

Route to the Education Center

The signs within Erasmus MC only display building codes. This means that the Education Center is not displayed on any signs.

For the entrance of the Education Center (onderwijsruimten 1 to 39, collegezaal 1 and 2, and Professor Andries Queridozaal) follow the signs to **building code Fe**. The white stairs or lifts reached via the Passage and Plein pedestrian area will take you to the entrance of the Education Center (2nd floor of building Fe).

The classrooms (onderwijsruimte) and lecture rooms (collegezaal) in the Education Center are signposted.
